IMPORTANT NOTES:

For College courses and related graduate-level courses. Please note that graduate-only courses in the Divisions and Schools may follow differing examination schedules.

The above examination times and dates are tentative, pending specific scheduling requests by the instructors of the courses. Requests for scheduling final exams for College courses should be submitted to the Registrar's Office by departmental course administrators no later than the end of the first week of the quarter in which the courses are offered.

Room assignments for those examinations which were requested by the first week deadline will be announced during the third week of the quarter and will appear on the web sites for courses and final exams. See <http://registrar.uchicago.edu/final-exams.html>

Classes meeting at non-canonical times will be assigned to the exam slot corresponding to the closest standard class time.
