This schedule is for College courses and related graduate-level courses. Please note that graduate-only courses in the Divisions and Schools may follow differing examination schedules. Please consult the appropriate academic unit for details.

The above examination times and dates are tentative, pending specific scheduling requests by the instructors of the courses. Request for scheduling final exams for College courses should be submitted to the Registrar's Office by departmental course administrators no later than the end of the first week of the quarter in which the courses are offered.

Faculty may change exam days and times if the new day/time accommodates student schedules or alternative arrangements are made for those who cannot attend the new day/time.

Examinations may not be scheduled during reading period EXCEPT for early exams for graduating students.

Early Exams for graduating students may be rescheduled during regular class times including regular reading period room assignments. Requests for alternative exams should be submitted to the Registrar's Office.

Classes meeting at non-canonical times will be assigned to the exam slot corresponding to the closest standard class time.
