Disclaimers:

- You must request to be certified each quarter by the school certifying official by submitting this form initially, and then sending an email to the school certifying official in each subsequent quarter in which you choose to be certified.
- If you choose to utilize your GI Bill® benefits, Financial Aid will use the information reported on this form to estimate your Veteran's benefits and provide you with a College Financing Plan (CFP) detailing your funding options. Amounts may change after your Certificate of Eligibility has been received and your eligibility is determined by the Veterans Administration.
- If you are a new student, you will not be certified for any quarters after your first quarter of enrollment unless all previous college transcripts and any other documentation requested by the University to evaluate previous education and training have been received.
- If I enroll, I authorize the University of Chicago to certify my enrollment and provide my academic records to the Department of Veterans Affairs to ensure timely receipt of my benefits. Quarterly certifications will be reported based on the number of units in which I am enrolled, and courses needed for your program of study. Any changes to my enrollment (e.g., add, drop, withdrawal) may affect the amount of VA benefits I receive. I will report any changes to my enrollment to the school certifying official JoAnn Creviston at jcreviston@uchicago.edu and my academic adviser.
